

## Staff meeting minutes

28/3/23

To start the meeting Ann welcomed everyone and mentioned how great the environments are all looking.

Narelle from Bugs and Barefeet then began her presentation.

Throughout the presentation there were provoking questions and pictures for the staff to discuss and reflect on.

At the end of the presentation there was some time for the staff to split into 3 room groups.

Each of the groups were to visit a room they don't normally work in and reflect on the environment design.

Narelle gave each of the rooms very positive feedback regarding their setup and design, especially about the extra thought that has been put into different activities, everything that would be needed was there, eg. Art smocks.

Fin

The image shows a presentation slide with two main sections. The top section is titled "Creating Engaging Environments" and includes the subtitle "Exploring Environments in Early Education and Care" and a photograph of a young girl blowing bubbles. The bottom section is titled "Acknowledgement of Country" and features a photograph of a kangaroo. The text in the bottom section reads: "We acknowledge the Traditional Owners of country throughout Australia and recognise their continuing connection to land, waters and culture. We pay our respects to their Elders past, present and emerging." In the bottom right corner of the slide, there is a logo for "Bugs & Bare Feet" featuring a red apple and a green leaf.

Exploring Environments in Early Education and Care

### Acknowledgement of Country

We acknowledge the Traditional Owners of country throughout Australia and recognise their continuing connection to land, waters and culture.

We pay our respects to their Elders past, present and emerging.
